

WELCOME 2019

The Great Minnesota Choral Get-Together

Please join us for ACDA-MN Summer Dialogue at St Olaf College, August 6-9, 2019. Your ACDA-MN leadership team has assembled interest sessions around your expressed areas of interest for this year's Summer Dialogue. Sessions are targeted for directors of children, teens, young and old adults, and many sessions address universal issues that are beneficial to all. Hear from All-State Choir directors, folks who hail from right here, the heartland of the Midwest! Enjoy the humor and expertise of Dialogue headliner Bridget Sweet, as she arms us with practical tools and techniques for the adolescent voice. Back by popular demand - The Director's Chorus under the direction of Bret Amundson, dialogue with your peers and even Beer Choir! We hope to see you there!
